ORDER SETTING PROCEDURAL SCHEDULE

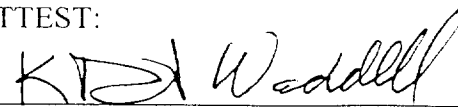

On August 10, 2001, US LEC advised the Authority that it wishes to revive this proceeding, which has been held in abeyance by agreement of the parties. The Hearing Officer accordingly sets the procedural schedule in this matter as follows:

September 4, 2001	US LEC's discovery requests and responses to discovery requests submitted by BellSouth on April 7, 2000.
September 18, 2001	BellSouth's responses to US LEC's discovery requests.
October 2, 2001	Pre-filed direct testimony of both parties.
October 12, 2001	Rebuttal to pre-filed direct testimony of both parties.
October 16, 2001	Parties' comments regarding whether an evidentiary hearing with live testimony is necessary.
October 30, 2001	Hearing on the merits.

Parties may file objections to discovery requests within ten (10) days of the receipt of such requests. All filings are required to be submitted to the Authority no later than **2:00 p.m.** on the date they are due.
